

My story is very unique. My story has lots of twists and turns in it. ~~a~~And yet no matter what I went through, I never let any of that stop me from becoming who I am today. I could have chosen to sit down and die. To remain stagnant. To use my humble beginnings as an excuse to stay where I was. But instead, I chose to get up and change things. Just because I was born and raised in poverty that didn't mean that I had to remain there for the rest of my life. And that doesn't mean that I didn't make any mistakes along the way because I did. I made a lot of mistakes. Some that I was ~~ashamed~~ of. ~~Well~~ Well, I was ~~ashamed~~ of them but I am not ~~ashamed~~ anymore because no one can hold me hostage to my truth and no one can hold anything I've ever done over my ~~head~~ because I'll tell on myself. ~~T~~Tell the whole truth on myself before I let anyone blackmail me with my truth.

What I'm saying is so many people told me I should tell my story and finally I decided to do it. ~~So~~ So, in this book I am going to tell you my story. All of it, even the ugly parts that I'm not proud of because I want you to learn from me and be better. ~~My~~ My lows were very low and it seemed like I'd be there forever but I wasn't. My highs were very high and it would have been easy to become arrogant and ~~forget~~ where I came from but I didn't. ~~Instead~~ Instead, I've ~~chosen~~ chosen to ~~live~~ live a life full of balance and that balance only comes from God. Without him there's no way I'd still be in my right mind today and without him in my life I know ~~I~~ I wouldn't be where I am today.

I'm writing this book to teach others how to move from a place of poverty and pain spiritually, physically, ~~mentally~~ mentally, financially, and fully come ~~into~~ healing from the traumas of their past because they no longer have to remain hostage to the things they've been through. Everyone deserves freedom and I want to show you how I got mine so you can get yours, too.
