

MANUSCRIPT EVALUATION

Advance your manuscript to excellence with critical insights from a professional editor. Focused on structure, story components, mechanics, and genre fit, my analysis highlights areas for improvement. This supportive critique process fosters manuscript enhancement and publication success, while helping you gain confidence in your pen.

WHAT YOU'LL GET:

- Full review of your manuscript
- Three to five page critique
- Consultation to discuss findings
- Second review after revisions are made

STARTS AT:

\$250
